

Afternoon Troop Activities Signup – 2016– Camp WilliamHinds

Week:_____ Troop:_____ Campsite:_____ # Scouts:_____

Camp Hinds offers 12 afternoon activities periods (three each day) for troops to experience all the areas of camp. Most activities are 45 minute sessions but some are longer. It is our hope that each troop will try to schedule at least one activity in each of our 12 program areas. Afternoon activities are described starting on page 26.

To Register: Registration for afternoon activities should be done online through the Summer Camp Scheduling System (www.pinetreetsa.org). Many sessions have restricted sizes or certain days of operation so preference will be given to those who register online prior to camp, all others will be put into the system Sunday afternoon following check-in.
